ROCK

AUTOMATIC ETHANOL FIREPLACE

Net Zero fireplace with the BEV Technology®

AUTOMATIC BEV® BURNER

The automatic burner with patented BEV Technology® ensures a clean burning process without smoke, smell, or ash. The flame is produced by combusting ethanol vapours with no direct contact with the fuel.

FLAME CONTROL

Have control over the fire and take advantage of the 6-stage flame height regulation.

SINTERED CERAMIC BOX

The fireplace is enclosed with Dekton textured panels by Cosentino. This durable, scratch-resistant surface has an elegant matte finish, making it a striking addition to any space.

GLASS ENCLOSED

Experience the perfect blend of elegance and efficiency with our modern closed fireplace featuring tempered glass, offering unparalleled heat retention and safety for your home.

REMOTE CONTROL

Take full control over the fireplace with the intuitive and minimalistic remote in your hand.

EASY REFILLING SYSTEM

The system automatically supplies the fireplace with the necessary amount of fuel. When the tank is empty, all you have to do is insert a new one.
